Residential & Commercial
- Service Upgrades • Generators
- Lamp Repair
- Landscape Lighting
- Telecommunications: Data & Coax Cable
- Alternative Energy: Wind & Solar

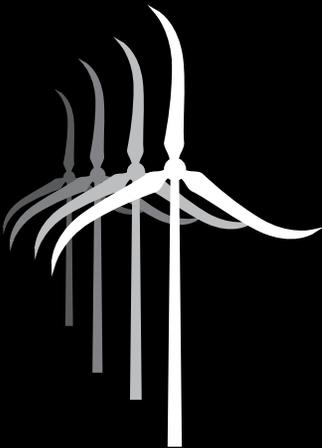

www.JSwartzElectric.com

ALTERNATIVE ENERGY:

- Can reduce or eliminate your energy costs
- Once installed, is virtually maintenance-free
- Clean, renewable, and sustainable
- Is an investment that can pay for itself in several years
- Federal tax credits of 30% are available for residential and commercial installations.

GOAL:

to provide customers with experienced, reliable, and dependable service at a fair price.

J.S. Electric is locally owned and operated. We cover a wide range of services in the Carlisle, Mechanicsburg, Harrisburg, and York areas. **NO JOB IS TOO SMALL.**

When utilities are out, a generator will provide you with your electrical needs.

An authorized dealer of Generac and Winco generators.
